Willander Charley – We support Central Navajo Veterans Organization why are they giving them a hard time. Funds are there there giving them a hard time how they operate and how they function

Marlene Thomas- I have a question, Veterans requesting for house, are there a support for the Veteranas second question are you a voter of the Many Farms Chapter. Funds are available two years Veterans come to the meeting and they present their problem Is there a follow up in chinle and Window Rock. Priority list is there one. I remember Tommy Elliot several years he should be on the list. At least there should be ten on Veterans Priority List.

Perry Slivers- Under report I will report on ths right now it is only on the resolution. August we meant with director.

Katherine O. Arthur Support Resolution is there one. We do keep passing resolution who is following up
