Subject: Proposed Home Site Lease for Jammie Billiman c/o Tionne Charley
         P.O. Box 364, Fort Defiance, Arizona 86504

On May 06, 2021, I conducted an on-site field check for the above-mention applicant in reference to a proposed home site lease, located in the Sawmill Chapter Boundary. The proposed home site lease is in the commercial forest boundary; therefore, the Housing Moratorium Resolution (RCJY-142-92) does apply. See attached map.

The proposed home site is located, (1) mile west of Sawmill Chapter house, RA#1497, approximately 550 feet off Hwy N7, mile post 15.3, Sawmill, Arizona. The site has scattered ponderosa pine trees on site. Approved Homesite Lease is required for utility line to be install for a Red Mobile home trailer structure on the proposed site, along with several non-operational vehicles parked around the structure. The ground is level for the structure. The site is next to her parents homesite and they have utility on site. The structure was placed since 2010.

At the time of contact with the applicant she is renting at Navajo Housing Authority housing. Sawmill Grazing Official referred her to the proposed site.

GPS reading at the general area is N35° 53’ 26.56” / W109° 10’ 46.24”.

It is the opinion of the Navajo Forestry Department not to allow the applicant to establish a home site lease at the above mention site. It would be advisable for the applicant to contact the Resources Committee and seek guidance on the committee’s intent with regard to this situation.

If you have any questions regarding the matter, call the department at (928) 729-4007. Thank-you
